

Evi D. Sampanikou, Professor, Art History and Visual Culture, is working at the Department of Cultural Technology and Communication at the University of the Aegean since 2000. Since 2009 she is participating into the international development of Posthumanism. She is a founding member of the Beyond Humanism Conference Series and editorial board member of the Beyond Humanism Book Series (Peter Lang Publishing). She is also a Tutor-Counselor at the Hellenic Open University. Her research interests include (apart from Art History and Theory) History of Photography, Comics Studies, Pop Culture and New Media Art and Theory, under a Postmodern and mainly a Posthuman perspective. Her earlier studies also include Archaeology, Medieval, Renaissance and Post-Byzantine Art, as well as English Literature. She is the author / editor of several books, while she has also published a number of book chapters and articles. She has also successfully supervised an extended number of postgraduate (MSc) theses for the University of the Aegean and a similar number of theses for the Hellenic Open University from 2004 to nowadays. She has so far also successfully supervised seven fulfilled PhD theses for the University of the Aegean and co-supervised seven more, for the University of the Aegean and other universities.
